Bahag 1, West Chhapar, Betthia, Bihar, India

PROFILE

Full-frame Sony FX3 (ILME-FX3) photographer and DGCA-compliant aerial cinematographer working across Uttar Pradesh and Bihar. Shoots full-frame RAW portraits, weddings, hospitality campaigns, 4K 10-bit S-Log3 / D-Log films and repeatable mapping grids - solo or leading a 4-specialist shoot crew. Graded stills in 48 hours, edited films inside 7 days, rights in writing.

EXPERIENCE

RANJEET Visuals - Lead Sony FX3 Photographer & Aerial Cinematographer, Betthia 2021 - Present

- Directed and shot 85+ commissions: weddings, couple & editorial portraits, hotel and real-estate films, heritage series and monthly site documentation across 12+ districts.
- Logged 500+ incident-free drone flights and leads an on-call 4-person crew (candid Sony FX3 second shooter, RS 3 Pro gimbal cinematographer and off-camera Godox lighting / SSD wrangler).
- Built a colour-managed post pipeline matching Sony full-frame RAW & S-Log3 with DJI D-Log M in Lightroom Classic, DaVinci Resolve and Premiere Pro (16:9 cinema + 9:16 social deliverables).

Camera House & Studio - Camera Specialist (Sony Full-Frame, Optics & Studio) 2018 - 2021

- Advised 1,000+ working photographers on bodies, G Master / prime glass, strobes and storage.
- Inspected, sensor-cleaned and calibrated mirrorless & DSLR kits; assisted on 25+ studio shoots.
